**Re: *Steven B. Barger v. First Data Corporation et al.*
Civil Case No. 1:17-cv-4869**

Dear Judge Block:

Dan Charron, one of the Individual Defendants and a witness being called by the Plaintiff has a hearing impairment that requires the use of a hearing aid. Mr. Charron has advised me that his hearing aid is calibrated through an app on his smart phone and that when he is in a new setting, he uses the app to make adjustments for the best clarity. He can then turn off the phone unless he needs it for his hearing aids. On Mr. Charron's behalf, I am requesting that he be permitted to bring his phone into the courtroom for the duration of the trial.

Thank you for your consideration of this request.

Respectfully submitted,

Gary B. Eidelman
